

Objective: This week's issue will cover the following subject.
The New Style Prep filters will ship with the Waste Manifold assembly.

301472-00	Waste Vacuum Manifold Assembly: also order 320553-00 FRU_Prep-Station-A and B_Kit
-----------	---

When ordering a Waste Manifold, there will be the new style Prep Filter Kit ordered as well. The original gray inline filters are being phased out when a machine needs a new prep filter(s). If the machine has already been upgraded to the new style prep filters, just send the unused set back to RIS. No inline filters (old style) will be shipped with the waste vacuum manifold.
